January 21-24, 2016

July 5 2015

Dear Sir or Madam,

I hope you and your students had a phenomenal school year and are ready for a well-deserved holiday! On behalf of my Secretariat and Committee Directors, I would like to cordially invite you to the 42<sup>nd</sup> Session of the Yale Model United Nations conference, to be held at Yale University in New Haven, Connecticut, from the 21<sup>st</sup> to 24<sup>th</sup> January 2016. My name is Nicole Ng, I am a Junior majoring in Global Affairs at Yale University, and I have the pleasure of serving as the YMUN XLII Secretary General.

Yale Model United Nations is a four-day international relations simulation for high school students held annually on Yale University's campus in New Haven. At YMUN, delegates from all over the world interact with one another through debate and diplomacy to solve complex challenges facing the world today. By engaging in topics concerning security, economic development, and social progress, delegates learn to navigate the complexities of international negotiation and teamwork, adopt new perspectives and develop comprehensive resolutions to pressing global issues. Education is at the heart of YMUN, and our unique conference experience seeks to provide every delegate with the best experience possible. Please visit [ymun.yira.org](http://ymun.yira.org) to learn more about YMUN XLII.

Yale Model United Nations is pleased to announce our collaboration with Sunrise, the official partner of our sister conference, Yale Model United Nations China. In addition to serving as the local partner of YMUN China, Sunrise is also responsible for managing delegations composed of students that attend certain designated schools in Mainland China. Should you wish to attend YMUN XLII, we would like to kindly remind you that your institution may only attend as part of the Sunrise delegation. Please note, registrations received from these institutions, either as an individual school or with another delegation will not be accepted. In addition to our regular conference programming, Sunrise delegates will have access to additional events organized specifically for the delegation. Sunrise offers student management, supervision, and support services to both individual students or group delegations. To register, please contact Ms. May Li at [May.Li@SYIEducation.com](mailto:May.Li@SYIEducation.com) (for Chinese speakers) or Mr. Daryl Louis [Daryl@SYIEducation.com](mailto:Daryl@SYIEducation.com) (for English speakers).

I hope you will choose to join us for what is sure to be the best YMUN experience yet this coming January. For more information about our conference, please visit our website and do not hesitate to contact us with any questions

Sincerely,
